6 UNITED STATES DISTRICT COURT
7 WESTERN DISTRICT OF WASHINGTON
8 AT SEATTLE

9 JEREMY HANNAFORD,

10 Plaintiff,

Case No. C23-0148-JLR-SKV

11 v.

MINUTE ORDER

12 LARKSPUR CENTER LLC,

13 Defendant.

14 The following Minute Order is made at the direction of the Court, the Honorable S. Kate
15 Vaughan, United States Magistrate Judge:

16 Plaintiff's *in forma pauperis* (IFP) application, Dkt. 1, is deficient. Plaintiff indicates he
17 is self-employed with a net monthly salary of \$50.00, totaling \$600.00 over the last 12 months,
18 and that he has received \$17,500.00 in disability benefits over the last 12 months. But Plaintiff
19 states he has monthly expenses of \$3,760.00 (including a mortgage, although Plaintiff does not
20 acknowledge owning any real estate). It appears that Plaintiff's income is insufficient to cover
21 his monthly expenses. He also does not indicate whether any persons are dependent upon him
22 for financial support. The Court is unable to assess Plaintiff's IFP application as written.

23 Plaintiff must submit a revised IFP application within **twenty (20) days** of the date of this
Order. In the amended IFP application, Plaintiff must provide complete and detailed information

1 about any real estate he may own, how he meets his monthly expenses, and whether he has any
2 dependents. Failure to comply may result in denial of IFP or dismissal.

3 Dated this 2nd day of February, 2023.
